Subject: LEP Guidance

Dear Ms. Condray:

I write in response to the Legal Services Corporation's request for comments regarding Limited English Proficiency Guidance. Legal Services of Northwest Ohio (LSNO) supports the comments submitted by Lillian M. Moy and the comments submitted by Community Legal Services, Inc. LSNO joins them in urging LSC to take action regarding this issue. We in particular join Ms. Moy's request that LSC issue its own non-regulatory guidance for recipients that is tailored to the specific needs of our clients and responsibilities of legal services programs.

Sincerely,

Kevin C. Mulder
Executive Director
Legal Services of Northwest Ohio
